Where: Ability First
201 S. Kinneloa Avenue
Pasadena, CA 91107

Provided by Behavioral Support Services, Vendor # PD1507

Contact your Service Coordinator to register for this Toilet Training Workshop

This training is designed to give parents strategies to assist them when teaching their young child to use the toilet. This is designed for parents of children 2 1/2 - 5 years old, however, parents of older children may benefit depending on the developmental level of their child.

Parents will learn about:

- Signs of readiness (being physically ready, getting external feedback, getting internal feedback)
- Parent's perceptions (stress about getting him/her toilet trained before school starts, before he/she is 3, etc.)
- Strategies to get started
- Specific training issues (accidents, nighttime training)
- Habit Training vs. Toilet Training
