Who We Are

Fitness by the Sea (FBS) is Southern California's premiere and largest beach camp. We have been bringing fun to the Santa Monica and Pacific Palisades communities for over 19 years.

FBS creates an environment that encourages learning, imagination, and physical activity. At our camps, children of ages 4-14 are able to experience growth through acceptance, learning through fun, and development through trying new things. Our mission statement is to do everything we do by the pillars of the FBS Way: Growth, Care, and Endless Fun.

Flexible and Easy Scheduling

We offer you the ability to sign up on a day-by-day basis, so you can come as often as you'd like! We understand that your schedule is unpredictable; you can even change your dates for no additional charge! We've made it easy and flexible for you.
