

Community Meetings to Address Changes to Regional Centers and Services, and Potential Effects

Each year, Lanterman Regional Center hosts community meetings to provide our key partners – individuals with developmental disabilities, their families and our service providers – the opportunity to give us feedback on the future direction and long-term goals of the Center.

This partnership is only successful when all parties involved have an opportunity to participate, and one avenue utilized by the Center to ensure that all persons interested in participating are able to is at our annual community meetings.

This year's agenda will cover the following topics:

- Budget overview for fiscal year 2017-18
- Legislative changes in the Budget Trailer Bill
- Changes to the performance plan for 2018
- Alternative Service Coordination Model
- Achievements from the 2017 performance plan

We look forward to your attendance at one of the meetings below. If you have any questions or need more information, contact the Koch-Young Resource Center at 213.252.5600 or kyrc@lanterman.org.
