

## Summer Camps & Activities 2022

<https://fitnessbythesea.com/>

For children 4-14 to enjoy and learn about having activities at the beach. Children choose their own activities and learn leadership.

Activities include volleyball, dance, face-painting, baseball, surfing, swimming, dodgeball, and over 100 activities.

**\*Payment Required**

<https://www.miracleleaguela.org/>

“Providing children with special needs the chance to play baseball regardless of the physical and/or mental barriers that would prevent them from doing so in a traditional league.

Teaching understanding and inclusion by allowing children from the community to interact and build lifelong bonds with special needs children in ways that they might not otherwise have the opportunity to.”

**\*Payment Required (financial aid available)**

<https://aceingautism.org/>

“ACEing Autism is on a mission for children with autism to grow, develop and benefit from social connections and fitness through affordable tennis programming, uniquely serving individual needs while filling a national void for this growing and worthy population. “

<https://www.adriansplacesm.com/>

“There are limited opportunities for young adults with special needs to meet new friends, to have more peer typical experiences and to spend more time outside of the home.”

Activities include Teen groups, arts and crafts, and social rec activities

\*Payment Required

<https://aheadwithhorsesla.org/>

“AHEAD With Horses (AWH) is a therapy program which utilizes vaulting (gymnastics on a moving horse) to provide various physical, mental, emotional, and social benefits to special needs, disadvantaged, and disabled children. Many of those we serve previously have not responded to traditional forms of therapy and/or education, or are not eligible for other services.”

\*Payment Required

<https://www.elsainc.org/>

“We've been empowering youth and young adults with special needs through impactful, meaningful equine connections in a ranch setting. Using a hands-on, horse-based approach, ELSA serves its participants with carefully tailored connections to horses and horse handling. There is no riding involved but rather an emphasis on connections, rather than control.”

\*Payment Required
