

# Annual Community Meetings

## Community Meetings to Address Changes to Regional Centers and Services, and Potential Effects

Each year, Lanterman Regional Center hosts community meetings to provide our key partners – individuals with developmental disabilities, their families and our service providers – the opportunity to give us feedback on the future direction and long-term goals of the Center.

This partnership is most successful when all parties involved have an opportunity to participate, and one avenue utilized by the Center to ensure that all persons interested in participating are able to, is at our annual community meetings.

This year's agenda will cover the following topics:

- Budget overview for fiscal year 2023-24
- Legislative changes in the Budget Trailer Bill
- Achievements from the 2023 performance plan

We look forward to your attendance at one of the meetings below. This year all meetings will be held virtually via Zoom. If you have any questions or need more information, contact the Koch-Young Resource Center at 213.252.5600 or [kyrc@lanterman.org](mailto:kyrc@lanterman.org).
