Please submit your input on how to reduce caseload ratios to: MSullivan@lanterman.org

By 6/25/24

Join us online via Zoom to learn more & provide input. Interpretation is available upon request.

Seeking Input

We are seeking your input about our caseload ratios. A caseload ratio measures the number of individuals assigned to one Service Coordinator.

It has been found that our caseloads are high in some areas. This means, in some cases, too many individuals are sharing a single Service Coordinator.
