Registration Required – Translation available upon request by February 21, 2024.

Each year, Lanterman Regional Center hosts community meetings to provide our key partners – individuals with developmental disabilities, their families and our service providers – the opportunity to give us feedback on the future direction and long-term goals of the Center. This partnership is most successful when all parties involved have an opportunity to participate. We look forward to your attendance at the meeting being held virtually via Zoom. Presentation posted at [www.lanterman.org](http://www.lanterman.org).

After reviewing the presentation, you may submit written comments to Melinda Sullivan, Executive Director, at: Lanterman Regional Center, 3303 Wilshire Blvd., Los Angeles, CA 90010 or e-mail at [kyrc@lanterman.org](mailto:kyrc@lanterman.org). Deadline for written comments is March 22, 2024.
