

ATTENTION ALL SERVICE PROVIDERS

The Burns & Associates (B&A) Provider Rate Study has been completed and will be presented to the California Legislature on March 15, 2019. B&A and the Department of Developmental Services (DDS) are seeking provider input on the rate study and the proposed rate-setting models. *Comments must be received at DDS by April 5, 2019.*

Lanterman's Service Provider Advisory Committee had a presentation on the rate study and the proposed models at their March 6 meeting and recommended sharing the information with Service Providers in small groups to better facilitate dialogue and gather your input.

You are strongly encouraged to attend one of the following sessions:
