

EFFECTIVE OBSERVATIONS OF INFANTS AND TODDLERS

Observing children to complete child assessments and help with program planning

March 9, 2012

9:00 am - 12:00 noon

Class fee includes a continental breakfast

AT THIS INTERACTIVE WORKSHOP, YOU WILL LEARN:

- How to make objective observations of children birth to 3 years of age
- The various ways to document these observations
- How to use this information to help with planning activities and learning areas
- How to use this information to enhance the parent-child relationship

\$80 PER PARTICIPANT - MAKE YOUR RESERVATION EARLY, SPACE IS LIMITED!

Instructors Cynthia Landes, MPH, MA, and Ziva Renan, MA will be presenting this workshop. Cynthia is an educational therapist at Kaiser Permanente and special education advocate. Ziva is a Child Development Specialist with over 30 years of experience working with young children and their families on typical development issues.

**Training will be held at CCRC, 20001 Prairie Street, Chatsworth, CA 91311
For additional information please call 818-717-1045**

Cancellations made 72 hours or more before the workshop will be refunded. No refunds will be made to cancellations received less than 72 hours before the workshop.
