DEVELOPMENTAL  
DISABILITIES

## The USC UCEDD Policy Series

# Restraint and Seclusion in School

Please join us for a webinar on  
**Thursday, April 26, 2012**  
**10 - 11 AM**

**WHAT:** An overview of current federal and state policy regarding the use of restraint and seclusion of children with developmental and/or psychiatric disabilities in school.

Participants will learn about current issues related to restraint and seclusion in school including:

- The current state of the problem
- What can be done to reduce the use of restraint and seclusion
- What you can do if your child or loved one is experiencing inappropriate behavior managements.
- Resources for help and information

**Registration is Required and Space is Limited.** Dial in information will be given when you register

Use this link to register:

<https://www4.gotomeeting.com/register/870644167>

**WHO:** This presentation is for parents of school-age children with developmental and/or psychiatric disabilities. It is also for others who are interested in this important issue.

The presenter is:

Leslie Morrison

*Director, Investigations Unit*

**Disability Rights California**

This training is presented by the USC University Center for Excellence in Developmental Disabilities at (UCEDD) Children's Hospital Los Angeles.
