

LANTERMAN REGIONAL CENTER'S ASSISTIVE TECHNOLOGY PROGRAM OVERVIEW

At Lanterman Regional Center, we have established a partnership with the Assistive Technology Exchange Center (ATEC) to provide assistive technology services for Lanterman clients. ATEC is a program of Goodwill of Orange County that provides a wide array of assistive technology services to people with disabilities, including evaluation and training services. Learn more about the Assistive Technology Program, how to refer, services offered, view a demonstration and participate in Q&A session.
