RESOURCE CENTER

Gives babies a way to “talk” with their parent - before they can talk.

For parents and children birth up to 5 years old to attend together.
(Only for clients of Frank D. Lanterman Regional Center)

Families will learn useful signs for mealtime, bedtime, bath time and expressing feelings. In addition, parents will learn simple ways to support their baby’s intellectual and social-emotional development.

Join us for a series of four classes, about 40 minutes each.

Come have fun with us through songs, books and activities.

Tuesdays, August 10 to August 31, 2021
