

# CYBER EDUCATION

CONSULTANTS

**Presents:**

## **Creating a Family Plan for your Children around Texting, Gaming, Surfing, YouTube, Social Media and More.**

Guest Speaker: Lori Getz, Cyber Education Specialist

Come learn strategies and the language that will help break down walls and get everyone having more meaningful conversations about screen time and the role technology plays in emotional, mental, physical and relational health and wellness.

**October 27, 12pm to 2:00pm via Zoom.**

**Registration Required:**

Even the most tech savvy parent will learn something NEW!

Lori Getz, M.A., is an educator, mother, author and Internet safety expert. She has appeared on the "Dr. Phil Show," "Today," "HLN," "Dr. Drew" and several other local news and radio programs. She often lectures live, speaking to parents, teachers and students across the country. Lori is the author of *The Tech Savvy User's Guide to the Digital World* & *Like Ability: The Truth About Popularity*. Both workbooks are meant for children ages 10-15 and help young people navigate decision-making both online and in real life.

Her insight comes from both her professional and personal life working with children, teens and adults.
