

# DEVELOPMENTAL DISABILITY

# mental health

What are the most common mental health disorders found in people with Developmental Disability? How can we recognize them? And what are the treatment options? Have your question answered.

**SPEAKER** | Dr. Theresia Choi from APCTC (Asian Pacific Counseling and Treatment Centers)

**October 28th, 2020, From 1:00 PM to 3:00 PM**

**Via ZOOM. Registration required. Register at:**
