Behavioral Services Agreement Form

I have attended the required Orientation to Behavior Services.

I understand that behavioral services provided by FDLRC:

- Replace challenging behaviors with more appropriate behaviors via parent education, parent training and direct teaching.
- Are provided in accordance with established principles of Behavior Management.
- Are designed to meet specific goals and objectives delineated in the IPP or IFSP.
- Are individualized and time-limited;
- Require the full participation of parents.

I understand that Behavioral Services are not provided to address needs for the following:

- Crisis intervention, 1:1 supervision, babysitting, respite, daycare, or an inadequate or insufficient educational/academic program

I understand that, prior to receiving in-home behavioral services I will be expected to complete a multi-session workshop to learn basic behavioral principles.

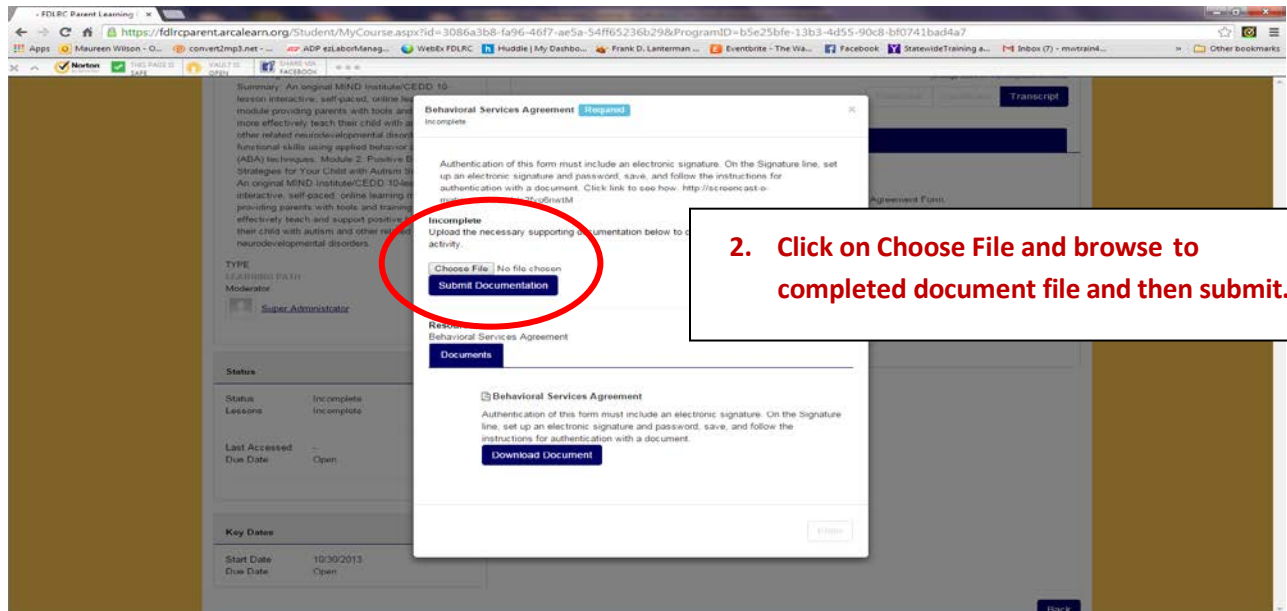

I understand the Tiered System of Behavioral Services offered by FDLRC as reviewed in the Orientation to Behavioral Services.

Step One: Behavior Orientation
 Step Two: Behavior Workshops
 Step Three: In-home behavior intervention

If I have questions regarding this process, I will contact my SC.
