

TRANSITION TO ADULT SERVICES CONFERENCE

4-PART CONFERENCE
STARTS 2/22/2024

Interpretation available
upon request

The Transition to Adult Services Conference will inform individuals served and their families of the transition process and prepare them for life after high school. The goal is to prepare the individuals served to enter work, college, vocational program, and independent community life.

The first 3 sessions of the conference will be offered virtually via ZOOM. Each session will require a separate registration.
