

Understanding Disabilities

For this workshop we will be learning about what a disability is. We will look at the different types of disabilities. What laws support individuals with disabilities as well as some societal myths and facts that surround individuals with disabilities, some language do's and don'ts and conclude with how we can support individuals with disabilities. There will be a question and answer session at the end.

Event Date: Thursday, March 30, 2023

Time: 4:00 – 6:00 p.m.
