

Understanding Speech and Language Disorder

Lanterman Regional Center in collaboration with the Learning Rights Law Center invites you to participate in this workshop.

Communication delays are present in most disabilities. In this workshop, we will talk about the main challenges related to language and speech delays. It will offer parents support strategies to help their children with issues related to receptive and expressive language, difficulties related to voice, fluency, articulation, auditory processing, following directions, and more.

Presented by: Mariana Leñero
