In this three part series on Understanding and Addressing a Child's Behavior, attendees will learn how to:

- Identify and Understand Challenging Behaviors
- Learn Effective Evidence Based Practices for Preventing & Replacing Behavioral Outbursts.
- Recognize & Use Emotional Intelligence.
- Implementing Effective Evidence Based Practices for Preventing & Replacing Behavioral Outbursts
- Effective Calming & De-escalation Techniques

Attendees will learn how vital their role is when working with their child in understanding their behavior and what their behavior is communicating. Knowing the signs and the intervention techniques is key to making changes in behavior.

Facilitator: Marcie Peoples

Location:

Interpretation will be provided in Spanish
