

# **Los Angeles County Developmental Services Foundation**

Los Angeles, California

REPORT TO THE BOARD OF DIRECTORS

**June 30, 2015**

K • C O E  
I S O M

To the Board of Directors  
Los Angeles County Developmental  
Services Foundation  
Los Angeles, California

We have audited the financial statements of Los Angeles County Developmental Services Foundation dba the Frank D. Lanterman Regional Center (the Foundation), a California nonprofit corporation, as of and for the year ended June 30, 2015, and have issued our report thereon dated January 5, 2016. Professional standards require that we advise you of the following matters relating to our audit.

### **Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letter dated August 21, 2015, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of its respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Foundation solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

### **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

Safeguards have been implemented to reduce the threats on our independence. These safeguards include continuing education related to independence and ethics requirements; external peer review of our firm's quality control system; our firm's internal policies and procedures which are designed to monitor compliance with the independence requirements; the involvement of another firm member who is responsible for completing an independent technical review of the financial statements; and your management's skills, knowledge, and experience to oversee any nonattest services we provide.

### **Qualitative Aspects of the Foundation's Significant Accounting Practices**

**Significant Accounting Policies** Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Foundation is included in note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the year ended June 30, 2015. No matters have come to our attention that would require us, under professional standards, to inform you about: (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

**Significant Accounting Estimates** Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimate affecting the financial statements was the estimate of receivables.

Management's estimate of the receivables is based on management's historical experience. We evaluated the key factors and assumptions used to develop the estimate and determined that it is reasonable in relation to the basic financial statements taken as a whole.

**Financial Statement Disclosures** Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The financial statement disclosures are neutral, consistent, and clear.

### **Significant Difficulties Encountered During the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. During the audit, no such misstatements were identified.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. None of the misstatements identified by us as a result of our audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

### **Disagreements With Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Foundation's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

### **Representations Requested From Management**

We have requested certain written representations from management, which are included in the management representation letter dated January 5, 2016.

### **Management Consultations With Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with the Foundation, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating conditions affecting the Foundation, and operating plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Foundation's auditors.

This report is intended solely for the information and use of the Board of Directors and management of the Los Angeles County Developmental Services Foundation and is not intended to be and should not be used by anyone other than these specified parties.
