## 2. Applicant Question: Description of Regional Center Efforts to Increase Language Access and Cultural Competency

Provide a description of your regional center's prior and ongoing efforts to increase language access and cultural competency in your catchment area. Examples of language efforts may include but are not limited to:

- Translation(s)
  - Language interpretation
  - Increase Bilingual staff
  - Bilingual service provider recruitment
  - Resource development to support those with a primary language other than English
  - Other
-

You may upload a document (e.g. strategic plan or internal policy etc.) but you must provide a narrative here. Limit your attachments to no more than 3.

#### **Applicant Response:**

FDLRC has a long standing history of recruiting staff that represent the cultures and spoken threshold languages of the Lanterman Community. Currently, FDLRC has 171 service coordinators , managers and support staff that speak Spanish; 23 service coordinators, managers, and support staff that speak Armenian; and 13 service coordinators, managers and support staff that speak Korean. We need to build upon recruiting efforts for other languages and cultures as this practice had allowed FDLRC to orally communicate FDLRC information to individuals served and family members. FDLRC has utilized a translation service for some of its written communication on an as needed basis; this is often on an as needed basis which may result in a delay in the translation of the finished product.
