REVIEW OF MINUTES

The minutes of May 12, 2020 were reviewed and approved by consensus.

CHAIRPERSON'S REPORT

Mr. Higgins reported that the extension of the line of credit was taken to the Board of Directors and they approved it.

MAY REVISE/LEGISLATIVE NEWS

Ms. Quintero reported there were significant proposals for reductions in the May revise. There was some funding for the fiscal year ending in June 30, 2020 for Operations and POS for the state of emergency related expenditures. We received the budget allocation from DDS on Friday. In OPS we received \$180,000 and in POS we received \$10.5 million. We are projecting this allocation to be sufficient to cover remaining expenditures for the year.

Next year in the May revise, there is a proposal of a \$30 million state general fund decrease in OPS and \$300 million in POS system-wide. For Lanterman, Ms. Quintero estimates this would

mean a decrease of approximately \$1.5 million in Operations. One proposal to achieve the savings in POS is a restructuring of the Annual Family Program Fee and the Family Cost Participation Fee. Another proposal is the reinstating of the uniform holiday schedule. There is also a proposal for many service provider rate reductions. The payment reductions would be based on three general categories ranging from 4.2% to 14%. Ms. Quintero added we are waiting for the budget that is expected to be released on Monday June 14. Discussion followed.

REVIEW OF FINANCIAL STATEMENTS

CASH FLOW

Mr. Londer reported that by the end of August, we expect to have a little under \$4 million.

Mr. Londer reviewed the financial statements through April 30, 2020.

In Operations (main contract) we have spent \$19,239,881 (79.5% of budget). In Purchase of services (main contract) we have spent \$164,810,739 before we add late bills. Including projected late bills, we will have spent \$168,210,900 (83.3%% of budget).

Fiscal Year 2018-2019 E-4

This month we recorded \$5,637 in OPS and \$57,100 in POS. To date, we have spent 99.9% of our OPS and 98.4% of our POS allocations. We are currently projecting a small surplus in both OPS and POS.
