EXECUTIVE COMMITTEE

Service Provider Rate Advocacy

Ms. Sullivan shared a memo from Karen Ingram with the Board regarding Service Provider Rate Advocacy. In it she reminds the Committee that a coalition of Southern California Regional Centers and Service Providers is forming to take part in local legislative visits (early grassroots efforts) in support of an 8% increase in reimbursement rates for service providers. It is the hope that it would be included in the release of the January budget for FY 2019-20.

Ms. Sullivan reported that the Center’s Service Provider Advisory Committee is sponsoring Legislative Advocacy training on February 6th to promote the 8% rate increase and to show Service Providers how to advocate for themselves. Daniel Savino, ARCA’s Director of Government Affairs/Community Relations, is leading the training. Lanterman Representative Assemblyman Chris Holden (sponsor of AB279) or one of his staff will be participating.

Ms. Sullivan suggested a few things that the Board can do to help advocate for our Service Providers:

- Attend the February 6 training to thank SPAC and the Service Providers for their hard work and dedication to providing services to our clients. Encourage the attendees to participate in legislative visits on their own and as part of a Lanterman team.
- Send a letter from the Board to Governor Newsome and our State representatives asking them to support the 8% increase.
- Send a letter to ARCA thanking them for making funds available to conduct legislative advocacy training for clients, families and providers….and encourage them to continue doing so.
- Hold the Legislature accountable for action on the Rate Study recommendations to ensure the report does not sit on a shelf.
- Encourage members of the Board to advocate as individual citizens to support efforts to increase Service Provider rates.

Dr. Stein moved that the Board send a letter to Governor Newsome and State representatives asking them to support the 8% increase, Mr. Poulos seconded the motion, and it passed unanimously.
