APPROVAL OF MINUTES

The minutes of January 13, 2014 were read by Mr. Howard McBroom and approved by consensus.

ONE-DAY CONFERENCE

Ms. Schultz re-visited the one-day conference planning in order to have more clarity and specifics. She explained that hosting this conference would require a lot of preparation and the Committee agreed that it should be held in the fall either in September or October. Everyone also agreed that a Saturday would work best because more clients would be available to attend.

Four main topics were discussed as well as several of their main sub categories in order to understand what would be discussed at the conference. The following is a list of the topics and their sub-categories:

Housing

- Section 8
- Home Ownership
- Residential Options
- SLS/ILS

Mental Health

- Medical Care
- Insurance
- Alcohol/drug addictions
- Strategies for doctor's appointments & follow up appointments

Community Safety

- Bullying
- Abuse/Victim of crime
- Discrimination

Education/Work

- Transportation
- SSI
- Access to education
- Higher education & GEDs

All Committee members voted and decided that their main topic would be housing.
