**EMERGENCY PREPAREDNESS**

Ms. Maureen Wilson, director of Training & Development, gave a presentation on emergency preparedness. Some of the highlights of the presentation included earthquake preparedness and what precautions to take when El Niño arrives. Everyone was given a handout with important numbers and websites to know in case of an emergency. The Committee had a lot of very good questions that Ms. Wilson answered for all.

After discussion, the Committee agreed that perhaps Emergency Preparedness would be an excellent topic to consider for the next CAC fair/project. More info will be brought at a future meeting.
