## **APPROVAL OF MINUTES**

The minutes of October 14, 2013 were read by Mr. Herbert Osteen and approved by consensus.

## **DISCUSSION ABOUT 1-DAY CONFERENCE**

Ms. Flynn and Mr. Marshall reminded the committee that they had previously discussed and agreed that they would like to have a 1-day client conference at Lanterman. After discussion the committee picked ten topics they were interested in. Those include: addictions, independent living, mental health, employment, negative and positive images in the media, socialization, self-advocacy, men's wellness, assistive technology, and mobility training. Everyone agreed that it would be best to have 3 topics for the 1-day conference and the committee voted on independent living, self-advocacy, and assistive technology.

## **MEN'S WELLNESS**

Mr. Marshall reported that an instructor for men's wellness has been found. There are still a few more steps that need to be taken to move forward, and CAC will receive updates as they come in.

## **HOLIDAY GATHERING**

The Committee agreed that they would like to have a holiday gathering next meeting in lieu of a meeting. Clients would like to eat pizza, brownies, and have games and music.

## **ADJOURNMENT**

The meeting was adjourned at 5:30 PM.
