## **VOTE IN JULIE, RIGO AND TSVI**

Due to the lack of quorum, this item was tabled for next month.

## **CONTINUE DISCUSSION ON CAC PROJECTS FOR 2012**

Ms. Flynn announced that next month Aurora Gomez, Revenue manager, will attend the meeting to talk about social security. She asked all members to come up with a list of questions to have for her. After discussion, the committee compiled a list of several questions for Ms. Gomez.

The Committee discussed the projects that they would like to discuss this year. Tentatively, this is what the next few months will look like:

**May:** Discussion about conservatorship.

**June:** Review and update socialization opportunities for the summer.

**July:** Dark.

**August:** Dental presentation by the Center's dental hygienist.

**September:** Community Meeting.

**October:** Clients rights; invite many clients and perhaps even host the meeting at a different location (like UCP) in order to have many attendees.

**November:** Presentation by Mr. Howard McBroom on self-advocacy.

All of the topics are subject to presenter's availability.

## **NEXT MEETING**

The next meeting is scheduled for April 9, 2012.

Ms. Flynn reminded Committee members to let her or Ms. Gabriela Sanchez know if they will or will not be able to attend meetings in advance. Ms. Sanchez stated that she will include her and Ms. Flynn's number on the agenda as a reminder to everyone.

## **ADJOURNMENT**

The meeting was adjourned at 5:25 P.M.
