APPROVAL OF MINUTES

The minutes of March 9, 2022 were reviewed and approved by consensus.

PRESENTATION ON KYRC

Ms. Rose Chacana, Director of KYRC, and Joe Perales, Family Support Specialist presented an overview of the KYRC Annual Report with a focus on 2020 and 2021. This included: family support programs, information and referral, community awareness, education and training, assistive technology, Strong Beginnings, and service access and utilization. Highlights include the large attendance increase from 2020 to 2021 for support groups via Zoom. Food cards, food boxes, and PPEs were also distributed in the past 2 years.

Ms. Mazariegos congratulated and thanked Ms. Chacana and Mr. Perales. She asked how parents are informed about food cards and food boxes. Ms. Chacana stated that Service Coordinators

identify families and refer them to managers. Ms. Mazariegos stated that she would like to see more training on cerebral palsy and epilepsy. Mr. Perales stated that those two specific topics are upcoming; KYRC has collaborated with professionals to speak/present about these topics. Lastly, Ms. Mazariegos stated that there are about 11,000 clients at Lanterman and she feels that participation in support groups overall is low in comparison and more families need to be informed so that they can participate.

Ms. Garcia thanked Mr. Perales and Ms. Chacana and asked if KYRC has a checklist for service coordinators so that they know to refer all families to the KYRC in order to increase participation. They stated that SCs do have a checklist.

Ms. Trevizo-Reinoso also thanked Mr. Perales and Ms. Chacana for the presentation and for all they do.
