The committee began a discussion on the 2019 performance plan by reviewing the 2018 performance plan. Mr. Roman reported that DDS will give the center guidance in August and this topic will be reviewed and finalized at that time. *Discussion followed*

The following are changes /recommendations:

- GOAL 9: The committee would like to see more trainings available for parents, adolescents, and adults regarding abuse, personal safety, and sexual abuse.
- GOAL 9: B: Include the total number of clients in order to have a percentage of SIRs to put the numbers in context.
- GOAL 11: add a note stating that 100% of requested translations were completed

Ms. Carmen Jimenez-Wynn had talked about having an employment panel, Mr. McBroom would like an update regarding this.

With regard to Lanterman's outreach efforts, to date, Lanterman has invited approximately 75% of its clientele to an informational session.
