### **DDS UPDATE**

Ms. Sullivan reported that the Department of Developmental Services (DDS) will release the dates and locations soon for the train-the-trainer sessions for the Orientation Trainings. This is not for people selected for self-determination. This is for people who will give the orientation to people selected for self-determination. The thought is that the more people trained to give this orientation, the faster we can give the orientation to those selected for self-determination.

In addition, the Committee reviewed and discussed the upcoming Self-Determination Facilitator Training held at East Los Angeles Regional Center on March 14-15, 2019 presented by the State Council on Developmental Disabilities (Los Angeles).

**The Committee agreed by consensus that in lieu the February meeting, members will try to attend one of the train-the-trainer sessions to be prepared to help with the orientations.**

## **MEET AND GREET – SURVEY RESULTS**

Mr. Kim reported that the Center conducted 2 welcoming sessions. There was one in English with 22 in attendance and one in Spanish with 5 in attendance. The Committee shared their observations and input on the survey results.
