### **REVIEW OF SDP TRAINING**

Mr. Landry advised the Committee that Howard McBroom, Mariko Magami, Karla Diaz, Melinda Sullivan, Enrique Roman, and other regional center staff attended the orientation for the train-the-trainer session at San Gabriel/Pomona Regional Center. There is another training being

held on March 8, 2019 at South Center Regional Center and Mr. Landry encouraged remaining members to attend if possible.

Mr. Landry reported that the orientation materials are directed to clients and family members who have been selected for participation in the pilot Self-Determination Program (SDP) and that the orientation materials are what Regional Center staff and Self-Determination Advisory Committee members are expected to start presenting to SDP pilot participants within 60 days from March 15, 2019.

Those who attended the training shared their impression of the train-the-trainer session. All reported that it was worthwhile and expressed what their comfort level would be moving forward. Committee members acknowledged the need to become familiar with the PowerPoint slides, exercises, case studies, etc. so they can use them to conduct the orientation sessions.

### **ORIENTATION PLANNING**

The Committee recommended the following:

1. Coordinate the first English orientation training (2 nights) on April 29<sup>th</sup> and May 1<sup>st</sup> from 6:30 – 9:30 pm each night.
2. The second English orientation training will be determined when a venue in the Foothill area can be secured.
3. Korean and Spanish orientation trainings will be coordinated once the materials in the respective languages are received from DDS.
4. The Committee will meet on April 4<sup>th</sup> at 6:00 pm as workgroup, not a meeting, to review the PowerPoint slides, exercises, case studies, etc. so they can use them to conduct the orientation sessions.
5. The May 2<sup>nd</sup> meeting will be used to de-brief on the first orientation training.
