UPDATE ON DDS WORKGROUP

Orientation Outline and Slides

Mr. Landry reported that he attended the SCDD meeting. The focus of the meeting was to go over the Self-Determination Program (SDP) Orientation outline and slides. Discussion followed.

The FDLRC staff provided comments. Mr. Landry set a date of Friday, August 10, for Committee members to get their comments to Ms. Sullivan, who will assemble them and convey the input to the Self-Determination Program Working Group.

Other Notes

- Mr. Landry reported that at the Sacramento meeting two weeks ago, the presenters suggested that the training could be done in one long day. Based on training experience,

the Committee is recommending to break up the training into several pieces that are 2 hours or less. The Committee proposes offering Part 1 soon after the selection of program participants scheduled for October. The other parts will be offered at later dates.

- Mr. Landry reported that due to a change in the regional center populations across the State from 2015 to 2018, the SDP allocation for Lanterman RC has dropped to 73. It has not been made clear by DDS which category will decrease.

October 4, 2018
